# SOLVE THE MYSTERY FROM YOUR SOFA

### LIVE INTERROGATION EVENTS & TEAM CHALLENGES

Our popular interrogation events, involve video footage and clues relating to the crime being sent to everyone before the event.

Having watched the footage and considered the clues, join the suspects online via Zoom for a live interrogation session.

You'll have time to discuss what you have heard before submitting your accusation then all is revealed.

Themes available include 1920s family drama, chocolate factory, diamonds and spies, monsters and wartime farce.

### HOSTED PARTY

For those on a smaller budget, a hosted event follows the same format of our interrogation events but replaces the live interrogation of suspects with your MurderedforMoney host playing a pre-recorded interrogation. Listen carefully as the clues are revealed.

Our murder mysteries can be played on a range of devices including PC, laptops, tablets and smart phones so no-one will miss out.

**“ENGAGING, WITTY  
AND DRAWS YOU IN!  
EXCELLENT, INTERACTIVE  
PRODUCTION”**
